Dear Greg,

Thank you for the letter and invitation to your event on April 2nd.

As your letter touches on, religious freedom is a fundamental right upon which the United States was founded. As Attorney General, I have tried every day to ensure my office is doing everything we can to protect Ohio families. In addition to protecting religious liberty, we have a responsibility to keep Ohioans safe from violence and illegal intimidation, and I condemn anyone who commits a crime or act of violence against someone because of race or religion.

I am profoundly concerned about the recent wave of bomb threats made to Jewish Community Centers in Ohio and around the country, as well as any hate crimes against a person or place of worship. My office will provide any assistance we can to law enforcement agencies investigating these crimes.

Thank you for your commitment to protecting religious liberty.

Very respectfully yours,

A handwritten signature in blue ink that reads "Mike DeWine".
